CHECKLIST

Before you send this form to Skydive Zone, please ensure you have done the following:

- 1) Enclosed a cheque deposit, or give appropriate card details
- 2) Signed the terms and conditions on the reverse
- 3) Filled out the booking form in full and signed above

Signature: _____

Dated: _____

**Please read the following terms and conditions
carefully before signing the declaration at the bottom of the page**

Terms and Conditions

1. If you are undertaking a charity skydive/parachute jump in order to raise funds for (charity name) and wish your costs to be recovered from sponsorship raised, you must agree to raise the minimum amount of sponsorship money as stated.
2. The required deposit must be paid when booking and is non-refundable. For the balance of your jump please refer to the instructions on your confirmation letter. Failure to comply with the instructions may result in you losing your deposit.
3. If, for bad weather, or any other reason beyond the parachute centre's control, you are unable to jump on the agreed date, you should arrange an alternative date with the parachute centre.
4. In return for your booking deposit (valid for one year), Skydive Zone will make the arrangements necessary for you to undertake the parachute jump of your choice at a Parachute Centre near to you or elsewhere if you agree. Skydive Zone will act as your agent when arranging your chosen parachute jump, not that of the Parachute Centres.
5. Parachute Centres have limited places available and instructors and equipment may have to be pre-booked, therefore, if you fail to give sufficient notice of cancellation or fail to attend on the day of you jump you may be required to pay another deposit.

Insurance

6. Having paid Skydive Zone the balance of the cost of your training and parachute jump, you will then be covered for up to £2,000,000 by virtue of the British Parachute Association Liability Insurance. This insurance does not cover you for personal injury or death and both Skydive Zone and (charity name, if applicable) recommend that you make your own arrangements to acquire insurance cover for personal accidents. A proposal form is available, if you wish to use Harrison Beaumont. Alternatively, you may use another company of your choice.

Medical Requirements

7. To make any parachute jump or skydive, you must be at least 16 years of age. If under 18 years of age parental / guardian written permission is required in addition to parental / guardian signature on the 'Declaration of Fitness to Parachute' form or the 'Student Tandem Parachutist Declaration of Fitness' form. Failure to produce this to the Parachute Centre will mean that you are unable to jump. If aged over 40 you must have the 'Declaration of Fitness to Parachute' form or the 'Student Tandem Parachutist Declaration of Fitness' form (for Tandem Parachute jumps only) signed and stamped by a GP. This form is included in the information pack. Once again, failure to produce this form to the Parachute Centre means that you will be unable to jump.
8. Please note that age and weight restrictions apply. Skydive Zone will advise you accordingly when making your booking.

IMPORTANT

I understand that sport parachuting is an adventure sport. When participating in such sport I understand that there is a risk of injury or death regardless of the standard of training, supervision and equipment provided. In signing below I accept the risk inherent in the sport and agree that I and my representatives indemnify and hold harmless Skydive Zone and (charity name if applicable) against claim or claims whether from myself or my representatives which arise from any accident or incident resulting in any loss or damage including bodily injury and death.

I have read and understood the above details and I agree to be bound by them and to fully comply with them.
